

TD Summer Reading Club

Join the club and help us celebrate Canada's biggest reading program for kids of all ages, all interests and all abilities. TD Summer Reading Club is designed to inspire kids to discover the fun of reading wherever their summer may take them. Participants explore recommended reads, join in activities, collect reading incentives, and build a lifelong love of reading.

We have an extensive lineup of programs and activities designed to excite and engage our young readers and participants. Read on for full details on all we have to offer and *get your summer read on* at BTPL! Avoid disappointment and register early for those programs that require it. Please register in-person or by telephone.
